Independent Auditor's Report

Unqualified Opinion on Financial Statements

Board of Directors
Houston Ground Angels
Houston, Texas

I have audited the accompanying statements of financial position of Houston Ground Angels as of December 31, 2010, and the related statements of activities and cash flows, and statement of functional expenses for the year then ended. These financial statements are the responsibility of Houston Ground Angels' management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Houston Ground Angels as of December 31, 2010, and the changes in its net asstes and its cash flows for the year ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED DECEMBER 31, 2010

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Houston Ground Angels (the "HGA") is a charitable organization incorporated under the laws of the State of Texas as a non-profit corporation on June 27, 2005. The purpose of the HGA is to provide air and ground transportation into, around, and out of the Greater Houston Area for qualified patients. This transportation will include trips from and to airports, medical facilities and temporary or permanent housing. Patients may qualify for this service through recommendations of physicians, social workers, or other 501(c)(3) organizations. The HGA was approved by the Internal Revenue Service to operate as an organization exempt under section 501(c)(3) of the Internal Revenue Code.

Financial Statement Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Houston Ground Angels and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets not subject to donor-imposed stipulations

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of Houston Ground Angels and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by Houston Ground Angels. Generally, the donors of these assets permit Houston Ground Angels to use all or part of the income earned on any related investments for general or specific purposes.

Contributed Services

Donated services are reported as contributions when the services (a) create or enhance nonfinancial assets or (b) would be purchased if they had not been provided by contribution, required specialized skills and are provided by individuals possessing those skills. Donated equipment or materials, if significant, are included in public support at fair value.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. In the absence of donor restrictions regarding how long those donated assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.
