**NOTES TO FINANCIAL STATEMENTS**  
**FOR YEAR ENDED DECEMBER 31, 2014 and 2013**

**NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Houston Ground Angels (the "HGA") is a charitable organization incorporated under the laws of the State of Texas as a non-profit corporation on June 27, 2005. The purpose of the HGA is to provide ground transportation into, around, and out of the Greater Houston Area for qualified medical patients. This transportation will include trips from and to airports, medical facilities and temporary or permanent housing. Patients may qualify for this service through recommendations of physicians, social workers, or other 501(c)(3) organizations. The HGA was approved by the Internal Revenue Service to operate as an organization exempt under section 501(c)(3) of the Internal Revenue Code.

**Financial Statement Presentation:**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Houston Ground Angels and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets not subject to donor-imposed stipulations

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of Houston Ground Angels and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by Houston Ground Angels. Generally, the donors of these assets permit Houston Ground Angels to use all or part of the income earned on any related investments for general or specific purposes.

**Contributed Services**

Donated services are reported as contributions when the services (a) create or enhance nonfinancial assets or (b) would be purchased if they had not been provided by contribution, required specialized skills and are provided by individuals possessing those skills. Donated equipment or materials, if significant, are included in public support at fair value.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Property and Equipment**

Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. In the absence of donor restrictions regarding how long those donated assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.
