

Getting Around During Construction

The Main Building is currently undergoing an expansion, that will add additional floors to the Alkek Hospital (near Elevator F). **Due to construction in the area, please allow extra time to park when you visit, as you may experience heavier traffic than usual at The Aquarium (Clark Clinic).** During your next visit you will notice the following changes:

The circular drive at the entrance to the Main Building, near The Fountain (Alkek Hospital), closed as of **Friday, Nov. 9**. The drive is expected to be closed 12 to 18 months.

Additionally, valet parking services at that entrance closed on **Friday, Nov. 9**. Patient Drop-off and valet will be available at The Aquarium (Clark Clinic) for patients and visitors during the duration of the project. From Holcombe Boulevard, enter M. D. Anderson Boulevard at Entrance Marker 2 and follow the signs to Patient Drop-off and Valet at The Aquarium (Clark Clinic).

You may continue to park in Garage 2 and use the south entrance of The Fountain (Alkek Hospital). Look for Entrance Marker 3 to enter and park in Garage 2. Additional self-parking is available in Garage 10 by taking Entrance Marker 2.

For more information about this project and other construction projects, call the toll-free construction line at **1-886-MDA-GROW (632-4769)**.
